

HYDROPULSOR

## **New Representative for Hydropulsor in Germany and Switzerland!**

Hydropulsor will from now, be represented in Germany and Switzerland by Mr. Walter Scheufele from scheufeleTECH, an engineering company based in Pforzheim near Stuttgart.

Mr. Scheufele has a long experience from the industry both as a technical sales representative and as Project Manager and will be a welcome addition for Hydropulsor.

We at Hydropulsor would like to say welcome to Mr. Scheufele and wish him every success in the future works to promote the technology of Hydropulsors.

For more information about scheufeleTECH, please see our contact page:
